Opis nemovitosti

Croatia Property Sales are offering this penthouse apartment in Split, with commanding sea views.

It is situated on the top, (6th) floor of an apartment block in the east side of Split town, 1k from the nearest beach, which is the sandy beach of Znanjan.

The living area is 105m sq, and consists of a hall, lounge, dining room and kitchen, 2 bedrooms, one with an annex room which is currently being used as a walk in wardrobe, bathroom, toilet and balcony. The balcony is a superb feature as it goes along the full length of the building, and has splendid views. There is also access to it from the living room and bedroom.

There is an underground garage which has 2 places, which have been turned into a small separate garage for this property.

The apartment is well decorated and the furniture is appropriate but is being sold separately, not as part of the house package.

Nearby are many shops and bars, bakery and restaurants as well as the infrastructure expected of a larger town, (banks etc).

The airport is 30 minutes away from here.

Please contact the office in Split to arrange a viewing of this property.
