## Opis nemovitosti

---

We are pleased to offer this half built house near Split, on a very large land plot.

The building is 2km east of Split, 2.7km from the sea, but nicely elevated and private, to give commanding views across the sea and islands.

The living area in the house is 155m sq and the land plot 1000m sq.

The fabric of the building is barely complete, but is designed with 2 bedrooms, bathroom, and to have an open plan lounge, dining area and kitchen. This leads out to a terrace, and the front of the house faces the sea. There is plenty of room for a pool, boat storage, car parking etc and a large garden.

Access by car is only to within 170m, as improvements need to be made to the road to get all the way in a normal vehicle.

The nearest shop is 400m away, the village centre 2km away and the airport is 40 minutes by car.

Please contact the office in Split for more information.
