Opis nemovitosti

Croatia Property sales are delighted to offer this impressive modern apartment in a superb location.

It is situated 5 minutes walk to the sea in the west of Split, next to the area where Tito enjoyed his private residence, and where houses are surrounded by quiet and protected parkland, and the beaches are excellent, but quiet. These houses rarely come onto the open market.

The apartment is on the third floor of a building with just 4 floors.

The living area is 141m sq and consists of a modern open plan kitchen, lounge dining room, 2 bathrooms, 4 double bedrooms and 3 balconies.

There are 2 external entrances, so the property could be split, although the current design works well and the property is well balanced.

The property has parking in front of the building, there are magnificent views from all the balconies, and the apartment inside is well decorated and maintained.

No expense has been spared in the fittings and decorating.

Nearby are many restaurants and shops, and within 10 minutes walk is the town centre, with bars, shops and cultural and historic attractions.

The airport is 30 minutes.

Please contact our office to arrange to view this, or other property in this price range.
