## Opis nemovitosti

---

A nice old stone house, completely renovated, in the centre of Split, a few yards from one of the busiest streets.

The house is hidden within the common courtyard, which is shared by several houses but the entrance to the courtyard from the street is fenced, so privacy is guaranteed.

The house consists of a ground floor, first and second floor with total living area of 72 m2.

The ground floor has a kitchen, dining room and bathroom. On each of the first and second floors there is a spacious one bedroom and bathroom. All three floors are air conditioned.

The house is the ideal location for tourists to enjoy the city as Diocletian's Palace and the Riva are a 5 min walk.

The closest parking is 50 meters from the house.

There are numerous shops, restaurants, cafes and other facilities are nearby, in fact barely any part of the town is more than a 10 minute walk.

The international airport is 40 minutes driving, at most.

Please contact our office for any information and to arrange to view this property.
