Opis nemovitosti

We are pleased to offer this attractive and comfortable apartment in Supetar on Brač island.

It is beautifully situated near the center of the largest village on the island, with interesting views above the roofs to the sea and to the mainland.

It is on the first floor of a modern 'purpose built' block and it consists of 2 bedrooms, one bathroom, a large open plan living area with kitchen, dining area and lounge leading to large windows and a balcony with great views.

It is ready for immediate dwelling, and has sat TV and aircon/heating.

There is a designated parking place.

The center of the village has many shops, coffee shops and bars, bank and clinic, as well as the ferry terminal so there is good access to the mainland, and Split.

Please contact our office for more information and to arrange to visit the property.
