Opis nemovitosti

We are very pleased to offer this large and well built apartment just outside Split.

It is newly built and the environment has been carefully landscaped, making it a popular and sought after block.

It is situated on the south east side of the city of Split, 1.3km from the coast, and 10 minutes from the centre of Split.

The apartment is 78m sq and it consists of a hallway, kitchen with dining area, a lounge and 3 bedrooms, bathroom and a good sized balcony.

The building was completed in 2010, but it is one which is well maintained and the quality of the construction has ensured that it does not show signs of ageing.

The purchase of the stylish furniture can be made separately.

There is public parking in front of the property, or garages in the underground car-park are available for purchase.

The building is well placed for the occupants to enjoy the many options for shops, bars, coffee bars, bakers, restaurants and other services and the airport is just 30 minutes drive from here.

Please contact our office to arrange to visit this apartment.
