Opis nemovitosti

We are offering this excellent two bedroom apartment on the mainland near Trogir, with great sea views.

It is situated about 200m from the rocky shore, and about 5 km from the historic centre of Trogir, in a small village.

It is built on a natural slope which ensures that there are great sea views from most of the windows in the property, and the balcony.

The front of the apartment is on the first floor, but the rear of the apartment goes straight onto the garden, due to the sloping geography of the village.

The internal layout of the apartment includes an open plan kitchen, lounge and dining area, with windows leading onto the balcony, two bedrooms, bathroom and some storage areas.

The living area is 60 m sq.

The property has a parking space and the opportunity to have a small boat moored on the shore near the building. This part of the shore is very attractive, with many very quiet coves, and clean water for swimming, boating etc.

The local village has many small shops, bars and useful services, for the local population and tourists, and they are all in walking distance of the property.

Please contact our office to find out more about this property and similar ones in the same area.
