Opis nemovitosti

We are offering this detached house, divided into 3 separate apartments, which is ready for immediate habitation or the continuation of a successful holiday lettings business.

The distance from the beach is 130m and there are beautiful quiet coves near to the main swimming area. It is a very popular location due to the clean water and safe shore with no currents.

It is on the south side of the island and just a few minute's drive from the village centre where there are many options for bars, restaurants and shops etc.

The nearest larger town Trogir, is just 10 minutes by car.

The house sits on a land plot of 300m sq, and the living area inside the house is also, 300m sq. Each floor has a separate entrance from the outside.

The top apartment and middle apartment have two bedrooms, and an open plan living area, while the ground floor has 3 bedrooms and kitchen, lounge etc.

The property is in good condition and it has been well looked after.

Outside, on a patio area is a large bbq grill, with great sea views. At the back of the property is a parking area for three vehicles to park privately, off the road.

The airport is about 20 minutes away from the apartments.
