Opis nemovitosti

We are pleased to offer this superbly restored old stone cottage in the centre of the village.

It is in walking distance of the old harbour and the vibrant area around, with most of the shops and restaurants.

The property for sale is an excellent example of how to make the best use of space, because what appeared to be a small cottage is now a luxurious 3 bedroom house, with a courtyard featuring an outdoor BBQ grill and enough space for sun loungers and a table for 6 people.

The house has an entrance through the courtyard which is surrounded by a high stone wall partly hidden by a variety of Mediterranean vegetation.

The ground floor has a living room, kitchen and dining room, connected through vaulted doorways and ceilings to a bathroom and a small summer kitchen and table for 6 in outer space.

Access to the upstairs is through the closed courtyard where there is a staircase to the upper floor with three bedrooms and a large bathroom.

The house is stylish with great character. It is ready to rent or live.

Properties like this are rarely on the market, so an early viewing is recommended.
