Opis nemovitosti

We are pleased to offer this recently renovated apartment in a quiet area of the old town of Split.

It is conveniently situated within walking distance of all the main tourist attractions in the old part of town, and is less than 15 minutes walk to the Riva, the Palace, the Marjan park and the ferry terminal.

The apartment is located on the 2nd floor in the building of 3 floors. The total floor area is 107m sq and in addition there are two balconies.

The property consists of a hallway, large living room (40 m2) with balcony, kitchen, 1 bedroom, 1 study room which can be used as bedroom, 1 smaller room that is currently a 'changing room', bathroom, toilet and another smaller balcony.

The renovation was completed to a very high standard, with built-in heating and aircons and good quality bathroom fittings.

It has been tastefully furnished with many unusual and attractive items which can be negotiated separately with the apartment.

There is a communal garden that is for the residents of the block only, parking in the nearby street, or a carpark (50m).

Please contact the office to arrange to visit the property with one of our agents.
