We are offering this beautiful house on the seafront on Lastovo island.

It is situated in a beautiful bay with a beach only 10 meters distant and great pleasure can be had from feeding the fish with bread from the balcony. It is a great art to ensure the fish eat it before the greedy seagulls.

It is a very private location but it has access to the pier, for mooring boats.

The surrounding area is mature pine woods and natural vegetation, which gives enhanced privacy, and despite this it is close to the marina with the cafes, bars, restaurants and shops.

The house is 75 m2 and is located on a plot of 400 m2.

It consists of two bedrooms, bathroom, living room, kitchen and summer kitchen.

Two balconies overlook the sea and are ideal for relaxing in the shade and quiet.

The house has electricity and water, and has a private septic tank.

The house can be reached by car and has parking lot.

This island is popular and special to many people who visit it every year.

Please contact our office so we can arrange a visit to this property with you.
