Opis nemovitosti

We are pleased to offer this spacious apartment in an old building in the centre of Split, close to many restaurants, bars, shops and other facilities.

The Riva and Diocletian's Palace are on the doorstep!

The apartment is located on the 3rd floor, and the orientation is North-West-South. Total area is 95 m2 + 2 m2 with an extra storage room on the ground floor.

It consists of a spacious hall, and leading from this are a kitchen, living room, small study room, 3 bedrooms, bathroom and with a balcony on the south side.

Both the inside of the apartment and the building have been completely renovated, only 5 years ago, and the property does not need any additional investment.

***Furniture is not included in the price.

The nearest parking is a couple of minutes walk, which is another advantage of this property, bearing in mind how close it is to the centre of 'old town Split'.

The international airport is 40 mins driving, although some taxi drivers can do the journey in 30 minutes.

For any additional questions and tour please contact us, and we will be happy to show you round.
