## Immobilienbeschreibung

---

We are offering this charming family house located at one of the best south-coast locations.

This “dream house” is on a plot of 700 m2 which extends from the access road to the sea front. The house had two floors (two separate residential units) plus a guest, studio apartment in the basement. All living quarters have separate enterances.

The ground floor has a living space of 65 m2, consisting of a kitchen, bathroom, hallway, a bedroom and a spacious living room, plus an unfinished room that can be finished into an additional bedroom. There is a large, partly-covered terrace.

An external staircase leads to the second level where there is a two-bedroom apartment of 65 m2 with a spacious terrace overlooking the sea.

The basement studio apartment has a small courtyard.

The house is surrounded by trees (shade in the summer) and landscaped gardens.

The sea is only steps away and there are plateaus for sunbathing.

It is also possible to moor a boat.

There is parking space for three cars.

The house has been very well maintained and is ideal for year-round living, a holiday home or for holiday rental.

We are sure you will be happy with the location. Please call us for more information.
