Immobilienbeschreibung

Croatia Property Sales are offering this attractive detached house on the shore, in a beautiful bay near Vis town.

The house is so close to the water that you can hear the waves hit the beach and feed the fish from the balcony.

The house consists of two floors with a total floor area of 70 m2.

The lower floor has an area of 18 m2, which includes the water tank, while the upper floor area of 52 m2 and consists of two bedrooms, kitchen, dining room, bathroom and terrace with stunning views overlooking the sea.

The courtyard has 41 m2.

The house has an energy certificate "A".

Inside the property is well decorated and it has.

Even well looked after.

This property is ideal for those who love peace and privacy, as the island is the least visited of the inhabited islands around Split, and is one of the furthest from the mainland.

The area surrounding the bay is natural old olives and forests many years old.

The nearest shop and coffee bar etc is a short cycle away, and there is barely a vehicle on the roads at any time of the year.

The whole island is full of hidden coves and beautiful beaches, so this is a great opportunity if you want to enjoy your own property where privacy is guaranteed.

The island of Vis is linked to the daily ferry from the city of Split.

The international airport of Split is located approximately 40 min.

Please for further information contact our office in Split, and we can arrange to visit the property.
