Immobilienbeschreibung

For sale we have this charming stone house set in a lovely inland village on Hvar island, just 3 km from the sea and the town of Jelsa.

The house spreads over 2 floors and is in a need of renovation, hence very competitive price.

The village has basic amenities, sufficient for comfortable vacation in the season.

There are distant sea views from the property.

If you are looking for a bargain stone house, this is a chance to get an excellent deal.
