Immobilienbeschreibung

We are pleased to offer this charming old stone house with a private terrace in the centre of a small and historic Dalmatian village.

It is located just a few meters from the beach and the historic harbour where there are shops, restaurants, coffee bars and other useful services and attractions.

The house consists of a ground floor, first floor and top floor with a total floor area of 60 m2.

The ground floor is double room with bathroom.

An internal wooden staircase leads to the first floor where there is a bedroom with access to another part of the house where there is a kitchen and dining room.

In the attic there is one room.

The house has a yard of 50 m2 where there is a BBQ/fireplace.

10 km from the main ferry port on the island, 25 km from Hvar town.

This is a small but fully functioning house, and great value.

For further information, please contact our CPS - HVAR office.
