Immobilienbeschreibung

We are pleased to offer this renovated house in a peaceful location in one of the island's most attractive old fishing villages.

It is situated just 100 meters from the sea, and set among lush Mediterranean herbs and trees with great sea views.

The house is divided into two apartments, each with a terrace.

There is also one outbuilding next to the house of approx 20 m2, which currently serves as a storage room and private gym.

There is a swimming pool and Jacuzzi set among the plants on the patio, making a charming and ideal place to enjoy the warm summer.

There is private parking for 2 cars.

Hvar property has once again become a Mediterranean 'hotspot' and it has never been as popular as now, so it is more important than ever to move quickly with any purchases.

Please contact our office on Hvar island for more details and to arrange to visit this property.
