Immobilienbeschreibung

We are offering this old stone house with a yard, a historic landmark in the town centre, just 20 meters from the sea.

This building has great potential to be used as a boutique Hotel or Hostel - a rare opportunity in such a high profile town centre location.

The house has 4 floors, with a total residential space of 588 m2.

Each floor has a surface of 147 m2 and in addition, this building enjoys a good sized garden of 115 m2.

The town has all the facilities required - shops, bars, restaurants, good access to the mainland/Brac and offers great potential for investors.

For a tour of the property please contact our office in the town of Hvar.
