The house has three floors, with a total living area of 165 m2.

Ground floor: garage and toilets, hallway, kitchen, living room, dining room with access to a small terrace in front.

From the ground floor there are inside stairs to the first floor.

First floor: hallway, with two double bedrooms - each with ensuite shower room + large balcony.

It is a well decorated property, currently in regular use, and would be ideal for tourism purposes in high season.
