Immobilienbeschreibung

Selection of eight 'under construction' apartments in Primosten.

We are pleased to offer these luxury apartments at an early stage of build, with completion due in June 2018.

They are in a great location, and these apartments are being finished with appropriate levels of high quality materials and fittings. This building will be one of the few along this shore with 'built in' elevators.

They are 190 m from the mainland shore, with fabulous sea views and conveniently close to the village centre with all the amenities and attractions tourists and the resident population all need.

Top floor 'penthouse' apartments are bigger and have two balconies, two bedrooms, one bathroom, kitchen, dining room and living room with access to a spacious terrace consisting of a covered and unattended part.

Ground floor, 1st floor and 2nd floor.

Smaller apartments have two bedrooms, living room, dining room, kitchen, bathroom and toilet. Exit from the living room is on the spacious terrace. The larger apartments have three bedrooms, two bathrooms, a kitchen, a dining room and living room with a spacious terrace.
