Immobilienbeschreibung

New in our selection from Sibenik.

This is a great value apartment house located in the first row to the sea and only yards from the pebble beach.

Between the house and the shore there is just a quiet local road which is situated adjacent to the end of the garden. There is private parking for three cars.

Three years ago, a complete renovation of the house was undertaken and three modern apartments were built, each on its own 90 to 100 m² floor, and each with a large terrace facing the sea.

They were designed to ensure comfort for the occupants, and to have easy access from the giant sliding doors onto the terraces - from which you can enjoy fantastic views.

The ground floor apartment has three bedrooms, two bathrooms, a kitchen and a living room in one unit from where you come out to the terrace.

An outside staircase comes to the apartment on the 1st floor which consists of two bedrooms, two bathrooms, smaller balcony, living room and kitchen in one unit with entrance to the terrace.

Like the ground floor apartment, the 2nd floor apartment has two bedrooms, two bathrooms, and a kitchen and living area together in front of the terrace.

All the properties are well decorated and ready for immediate use.
