Immobilienbeschreibung

New in our offer! Modern villa in an exceptional location right next to the sea.

The villa has a residential area of 200 m² and is located on a land plot of 1388 m², with a pebble beach where no motor vehicle traffic is possible.

The house is laid on the upper part of the plot so that a garden of approx. 800 m² is located in front of it, where there are 26 olive trees.

The house has an independent facility of approx. 50 m² with summer kitchen, barbecue and pantry in front of which is a tiled part of the yard serving as a terrace.

The villa consists of a garage, hallway, laundry room, storage room, three bedrooms, kitchen with dining room, living room, and terrace.

With minimal investment in the direction of decorating the front part of the yard, building a swimming pool and additional space to enjoy, this object at this location can achieve up to 50-60% higher market price.

Since basically it is a ground floor, it is possible to reconstruct it, as well as to raise another floor.
