Newly built modern villa with pool in a quiet location with beautiful sea views!

The villa was built in 2016 on a plot of 700 m2.

The residential part of the house is 198 m2 and together with the terraces it is 259 m2.

On the ground floor there is a spacious living room with kitchen and dining room, bedroom and two bathrooms.

On the first floor there are three bedrooms, each with a terrace and two bathrooms.

The villa is not finished from the inside, and indoor work is possible at extra cost or the buyer can finish it in his own arrangement.

The courtyard is well-maintained and includes a big swimming pool (10 × 4m), with massagers and a place to build in a waterfall.
