It consists of an apartment and a building project.

The residential area of the house is 80 m2 and is located on a very large plot of 620 m2.

The ground floor consists of 2 bedrooms, living room with kitchen, hallway, bathroom, storage room and water tank room.

The first floor and loft are not built, but there is an existing project to build them.

The plan would be to create 2 bedrooms, a large living room with kitchen, bathroom, hallway and terrace.

Within the parcel there is a garage of 70 m2, and parking for up to 4 cars.
