Immobilienbeschreibung

We are pleased to present this stone beauty with an amazing panoramic view.

The villa is located on a hill surrounded by pristine nature. It is built in a combination of traditional and modern style, with high quality materials, mostly stone and wood. It consists of a ground floor with a garage and a big room, ideal for socializing. On the first floor there is a living area with plenty of sunlight and access to the terrace with swimming pool, barbecue and sitting area.

The terrace offers a beautiful view of the Makarska Riviera. On the second floor there are 4 comfortable bedrooms with bathrooms and balconies.

Because of the proximity to the sea and all the necessary amenities, this villa is ideal for both vacation and residential use.

Distances:

- The center of the resort is 300 m away
- The sea is 3 km away
- Split Airport is 88 km away

For all further information please contact our CPS office in Split.
