## Immobilienbeschreibung

---

We are offering this attractive building plot in the first row to the sea, with an existing building permit for a 3 storey house.

The land plot is 600 m<sup>2</sup> in a roughly square shape and is located in a quiet bay, in front of a clean and safe beach with clear sea. A property here would be extremely attractive.

All the necessary infrastructure is present, and there is also an access road to the plot.

The property is a 10-minute walk along the shore to cafés, restaurants and shops.

Split International Airport is 25 km away.

For all further information please contact our CPS office in Split.
