Immobilienbeschreibung

Building plot of 324 m2, intended for construction of a semi-detached house.

It is located in a very attractive location, only a couple of hundred meters away from the town center, and only 30 meters away from the sea (2nd row from the sea).

It is possible to build a smaller family villa or an apartment house.

The house has to be built as a semi-detached property, and leaned to the already built neighboring house. It is not possible to build a detached house on this plot. By the present building plan, it is possible to build a house of 300 m2 of total residential area.

From the plot there is a beautiful and unobstructed view of the sea.

Complete infrastructure is present on the plot.

For any further questions, feel free to contact our CPS office in Split.
