## Immobilienbeschreibung

---

Renovated stone house with beautiful sea view and pool on the south side of the island of Hvar.

On the ground floor there is a space of 38 m2, with separate entrance, which can be converted into a studio apartment.

On the first floor there is a hallway, a storage room, two bedrooms and two bathrooms. The inner staircase leads to the second floor to a large open space where there is a kitchen, living room, dining room and a beautiful covered terrace overlooking the sea.

Behind the house there is a large terrace and swimming pool, as well as an outdoor shower.

Next to the pool there is a small cottage of 20 m2. It has one room and a bathroom.

The location is peaceful, just a few meters to the center of the village and around 400 m from beautiful pebble beaches.

The house has vehicle access and there is parking space in front of the house. The house was renovated in 2003 and all installations were changed. The property is in excellent condition.
