There is also a large covered terrace, through the length of the entire house. Also, below the stairs, there is another room adapted and used as new owner wishes.

Outside stairs lead to the second floor, which consists of 2 apartments, one of which is furnished and consists of kitchen, living room and bedroom, bathroom and balcony overlooking the sea. The second apartment is unfinished. It also has a covered terrace overlooking the sea.

In the courtyard it is possible to park three vehicles in the shade of grapevine.
