Immobilienbeschreibung

REDUCED PRICE!!!

We are happy to offer this charming apartment in a beautiful location, near the main beach in Okrug, with a magnificent view of the sea and surrounding area.

Apartment is located on the top floor of the building, which makes the views from the balconies even nicer.

This apartment consists of 2 bedrooms, out of which 1 has a small balcony to use, 1 bathroom, living room and dining room, kitchen and a bigger balcony with the view of Okrug.

Total size of the apartment is 54 sqm, but also the high ceilings make an impression of a bigger apartment. It is nicely furnished and kept in very good condition and is sold with the furniture.

Although the apartment is north-west oriented, it still has a lot of daylight. However, it has beautiful sunsets and during those hot summers, is very pleasurable to be in. In front of the building is one allocated parking space and has a gate entrance for additional safety.

Besides being close to the beach and the sea, in the surrounding area is a lot of forest and nature to walk around and explore in different paths.

Ciovo has become increasingly popular and with the completion of the new bridge, is better connected with the mainland.

International airport is only a few kilometers away while the old part of Trogir is 5 min by car.
