Immobilienbeschreibung

Attractive building plot with sea view, ideal for building a family house with swimming pool.

The land is 371 m² big and is situated in a quiet location near the city center, the sea and the beach.

At current construction conditions, construction of 35% of the plot is allowed. It is possible to build a house that can have 3 floors, total height up to 9 m.

The plot is located in a building zone and can be immediately accessed for project design and building permit request, which takes about 4-6 months.

For further questions please contact our CPS office on Hvar.
