Immobilienbeschreibung

House located in a forest, on a large plot of land, in the first row to the sea.

The house consists of 2 bedrooms, bathroom, living room, kitchen and toilet.

Behind the house is a small barbecue grill.

The house is nicely decorated, has 112 m2 of living space, and is located on a plot of 2089 m2.

Some 40 stairs lead down to the sea.

The size of the plot offers complete privacy since the house is located in the woods, without any houses nearby.

The house is located near Posedarje, on the Novigrad Sea.

For all inquiries please contact our CPS office in Split.
