The house is constructed on 2 floors, with the ground level a glass covered porch, a living room, kitchen, small study and bathroom. There are stairs leading to the first floor where there is a bathroom and three bedrooms.

Under the property is parking for 3 cars.

The garden and courtyard has a variety of trees, plum, pear, mimosa, and bougainvillea. The courtyard also has a bbq area, for alfresco cooking.

The property is well maintained and decorated and has aircon.

It is not on main drains, but this will happen quite soon.
