Opis nemovitosti

An attractive building land plot in Zrnovska banja near Korcula town (15 minutes walking distance from the old centre of Korcula town).

The land plot is located in the second row to the sea - only 30 meters from the sea.

The complete infrastructure is present; road access as well.

According to the zoning plan, the land plot is located in the residential building zone which enables you to build residential objects – villas or apartment houses.

The total size of the parcel is 2.806 m². There is a possibility to buy a bigger piece of land, from 500 m² up to 2.806 m², according to the buyer's wishes.

The price per m² is from 100 up to 130 Euro, depending on the size of the land plot.
