Opis nemovitosti

Spacious apartment in the center of the Diocletian's Palace, currently operating as a hostel.

This apartment of 92 m2 is located on the 3rd floor and consists of 6 rooms, 2 bathrooms and a kitchen.

Most of the rooms are south oriented and have a beautiful view of the bell tower of the cathedral and roofs of houses in Diocletian's palace. The apartment has recently been refurbished and the installation has been changed, so no bigger investment is needed.

Numerous restaurants, museums and other tourist facilities are located nearby. There is no car access because it is located in the strict center of old town.

Due to its superb location and size, this property has unlimited potential primarily in tourist renting business.
