Opis nemovitosti

Large renovated old stone house, right in the center of the old town.

The house is a restored cultural monument, a former fortress of the Italian army and their cavalry unit.

It is located on a fantastic location, only 30 m from the sea and the beach, and has 300 m2 of living space, on two floors.

The house has been used as a restaurant, but it is possible, with small modifications, to make a large apartment house out of it. Behind the house there is an exterior area of 80 m2, which can be used as a large parking lot.

The house was renovated several years ago at the highest standards, and due to its versatility and size it is a fantastic investment opportunity.
