Opis nemovitosti

Croatia Property Sales are pleased to offer this glorious opportunity to buy a grand and historic stone building in need of complete internal renovation, just outside Trogir.

It is situated 50m from the harbour in a charming village, 5 minutes drive North along the coast from Trogir, and 15 minutes from the airport.

The history of the house is interesting. In the 16c a nobleman from Trogir was given permission to build a tower here to protect the local historic church, and around this slowly developed the village. The house is situated in the quiet and peaceful village centre (nearest parking is 50m away).

The external walls etc of the house are in good condition, but the internal condition is poor. No planning consents are required to refurbish the inside of the house.

The local area is rich with historical and cultural buildings, as well as some of the best restaurants in the area. There is a lively nightlife in the summer in Trogir which is also the starting off point for many sailing holidays in the huge Marina at Trogir.
