## Opis nemovitosti

---

Old stone house, for complete renovation, in the center of Sibenik.

The house has three floors and each floor has 29 m2 of total surface area.

On the ground floor there is a small kitchen and a bathroom.

Wooden staircase leads up to the upper floors, where it is possible to make either two bedrooms, or one bedroom and a living room.

The property is currently in poor condition and requires a complete renovation.

With investment, due to its location, this property has great potential, primarily for tourist rentals.

For further questions please contact our CPS office in Split.
