Cena	25.000 €

Opis nemovitosti

Authentic small stone house in center of a small town.

The existing cottage can be renovated, and new owner can try to get permission to build another floor.

All infrastructure is in the immediate vicinity.

The house is located in the center of town, a few meters from the sea and the beach.

The house has secured car access, and public parking is possible nearby.

The restaurants, cafes and ferry port are just a few minutes walk away.

For further questions please contact our CPS office on Hvar.
