## Opis nemovitosti

---

A 17th century mansion, on a large plot of land in a prime location by the sea.

The plot extends to 9600 m2 and is located in the first row to the sea.

On the plot is a 17th-century mansion, remodeled some 30 years ago.

The house itself is currently in poor condition and in need of renovation. It has about 450 m2 of living space.

It is also possible to build a brand new house on this large plot of land. The plot has olive trees and vines.

The plot itself has a large pier with mooring spaces for boats.

The location itself is very quiet, and the new owner is provided with complete privacy.

For any questions, please contact our CPS office in Split.
