Opis nemovitosti

Semi-detached, beautifully renovated stone house in the bay, 4 m from the sea.

On the ground floor there is a summer kitchen, which is the only kitchen in the house, and an outdoor fireplace.

There is a kitchen, dining room and living room. Of course, there is the possibility of closing the summer kitchen.

Internal and external stairs lead to the first floor where there is a bedroom and a large terrace overlooking the sea and the surrounding hills.

A spiral staircase leads to the top floor which consists of a bedroom and a bathroom.

The house is in excellent condition.

There are no electricity and water connections in the bay. The electricity is solved by solar collectors, and for water there is a water tank.
