Opis nemovitosti

We have in our offer a land plot in the area of Vinišće, which is sold with a complete project for a villa with a swimming pool.

The land is located 200 m from the sea and is one of the last plots in the building zone. Given the location, it will have a view from all floors.

The size of the land plot is 726 m2 and you can make a villa with 3 floors and a swimming pool on the ground floor.

Water and electricity connections are nearby.

The building permit was requested last year, it is still valid and can be extended if needed.

The location is excellent, quiet and with few properties built around, which provides privacy, and yet the sea and the small center with amenities is only 200 m away.
