## Opis nemovitosti

---

Croatia Property Sales are agents for the excellent newly built apartment development on Ciovo island.

### **ONLY 1 STILL AVAILABLE.**

**Apartment 1:** 1st floor, east, 80 m2, 2 bedrooms --> **120.000,00 Eura SOLD**

**Apartment 2:** 1st floor, west 80 m2, 2 bedrooms --> **155.000,00 Eura**

The building is 500m from the sea, on the South side of the island, near Okrug Gornji.

This is a superb and quiet village with many facilities and with the most attractive bay and swimming areas on the island within walking distance. The beach at Okrug has been voted in the top 10 beaches in the Mediteranien, but many locals prefer a quieter shore, equally close.

The flats are of different size, (either 60m sq or 80m sq) with different views, but all have been built to a high specification; all have parking allocated to them and each has use of the outdoor garden and BBQ facilities. These are good value properties as the builder needs to make quick sales on his investment.
