## Opis nemovitosti

---

We are offering this old stone house in the typical and charming Dalmation village of Kastela.

It is 180m from the sea and Riva, but very close to shops and other amenities such as bars and restaurants.

The property is a good size, 96m sq, being on 3 floors, and has an additional space of 5m sq which is part of a communal court yard through the street door.

The ground floor has a kitchen, living room and bathroom, and stairs leading into a hall and 2 bedrooms on the first floor and the second floor has another 2 bedrooms and external stairs from the common court yard. It also has a balcony.

The house has plenty of charm and needs to be refurbished to be fully enjoyed.

The airport is 10 minutes driving, and street parking close by.

Please arrange viewings or contact the office.
