**We are pleased to offer this rare opportunity to buy a building plot in a charming and quiet bay on Korcula island**

It is situated 100 m from the sea, on the south side of the island in a bay known as Zaglav, facing out to sea.

The plot is 484 m sq. The land is located in a residential zone and allows for the possible construction of a family house, villa or apartment building.

The planning permission can include a building for residential or residential-commercial.

The limit for building is 400m sq of internal space and a maximum of 3 units of development. Newly built homes can have basement level, ground floor, first floor and attic.

It is one of the most beautiful locations on the island.
