Immobilienbeschreibung

We are pleased to offer this detached family villa in a stunning village location.

It is situated on the mainland, in the centre of a beautiful Dalmatian tourist resort, only 150 meters from the sea but with great views across the bay and harbour because of the gently sloping geography of the bay.

The size of the living area in the house is 100 m² and the plot size is 364 m². The house is divided into two floors.

The ground floor has an open plan living room, kitchen and bathroom.

Upstairs are three bedrooms and a bathroom.

The house has been completely renovated, modernised and decorated, and now has a well presented and practical interior.

The beaches can be reached in just a few minutes walk, with a direct path to the shore and a path along the shore leading to the harbour. Here are many family shops, bars, restaurants and other services useful for tourists and the locals alike.

The plot is paved (no green), so that there is a possibility to arrange at their own wishes, but it includes private parking.

It is a fast journey to Trogir and the airport because of the good transport connections. Split is 36 km away.

Please contact our office for more information and for us to arrange a viewing.
