Immobilienbeschreibung

We are offering this rare opportunity to invest in a substantial restaurant on the south side of Ciovo.

It is situated in a popular area on the south side of the island and is doing well.

As a commercial building, the use can be changed if the owner wishes.

The specified price includes the entire inventory of the restaurant.

The area consists of a basement and ground floor with a total area of 206 m².

In front is a spacious garden of 225 m² where there are tables 'Al fresco' for the guests and there is a grill/fireplace.

In the basement there are toilets and a large room that serves as a store.

The ground floor has 2 toilets, bar and ample room for guests.

Everything is fully equipped and in excellent condition, so if you want to continue with this established trade then there is no need for any investment.
