Immobilienbeschreibung

The family house is situated in the idyllic village, only 3 km from Jadrija, and 5 km from the center of Sibenik.

The property is placed on a land area of 1678 m2, a total living area is 200 m2 (with accompanying apartment building).

The main building consists of basment (70 m2) and three-bedroom flat (three bedrooms, kitchen, dining room, bathroom, toilet, large living room, porch, terrace).

Total floor area is 100 m2.

The house is air conditioned, has wood stove and central heating.

Beside the house is a small auxiliary building of 39 m2, consisting of a small kitchen, dining room, bathroom and bedroom terrace with a beautiful stone enclosed barbecue.

Because of the size of the plot there is a possibility to build a pool.

The property is ideal for family living all year round, or for rural tourism.
