Immobilienbeschreibung

Architecturally unique villa built on the foundations of an old stone house.

It represents an interesting blend of traditional exterior and contemporary interior.

The villa has inner heated pool, loung/living room, kitchen with dining table, 3 en-suite bedrooms, toilet, terrace and balconies.

Ground and first floor offer scenic views on the village and the sea.

The property has underfloor heating, central air-conditioning system, smart temperature, light and sound controls.

Parking for 2 cars.

Lovely sundeck surrounded with mediterranean herbs and palm trees.
