Immobilienbeschreibung

We have these two apartments for sale in a converted old stone house in a small town on the north side of Hvar island.

They are situated 200m from the sea, a two minute walk through the old narrow village streets, passing bars, coffee shops, cafes and shops.

The two apartments are on the ground floor and first floor, each with 50 m2, with a common, small garden in front.

The entrance / hallway is shared.

The ground floor apartment has a bathroom, two bedrooms, kitchen, dining room, pantry, and it has garden of 15 m2.

The staircase leads to the first floor where there are two bedrooms, living room and bathroom.

Each apartment has a living area of 50 m2.

First floor apartment has a sea view.

Both apartments need redecorating, internally, but the building seems in good condition.

There is NO option to purchase apartments separately.

The ferry port is 5 km away, there is also a sea plane connection to Split available on the island.

For further information please contact our office.
